There's lots of moss up north...

WHERE AM I..?

Can I really find my Nee-sama..?

There are lots of buildings, roads, and people here...

A cat!

Surely, cats shoul-

But it shouldn't be in such a place...

It's normal to find animals here, isn't it?

Somehow I'm relieved...

Ah!

Anybody!

Um!

Careful!

...I CAN DO THIS..!

...JUST A LITTLE MORE...

UGH...

Eh?

OKAY! GOT IT!

I just arrived two hours ago...

I don't think I realized anything that happened...

I'm relieved...

I'M STILL JUST LEARNING... ...WHENEVER I MESS SOMETHING UP, I FRET OVER WHAT I HAVE TO DO...

I'M VERY SORRY!

I SURPR.SED YOU, DIDN'T I!

YOU STOPPED BREATHING A WHILE AGO... ...BUT I TRIED MY BEST TO REVIVE YOU.

I ACCIDENTALLY TALKED IN MY CAT FORM...

Though why is she naked...

Eh?

It became human..?!

Could it be that animals becoming humans and being revived back to life are both possible..?

My tail was left on.

Ah!

City life is terrifying..!

WELL, IT'S FINE BEING NAKED HERE, I GUESS!

HEHE I GUESS I HAVEN'T GOTTEN IT JUST YET

FIRST OF ALL, PUT SOME CLOTHES ON,

NIU.

MITSURU-SAMA!

CHINO MITSURU.

I'M THE CHIEF DIRECTOR OF MAMORI MIDDLE SCHOOL,

学長 千野ミツ

THIS IS THE
VARIED LIFESTYLES ADMINISTRATIONS BUREAU.

Crane...

O

That's right! This meeting

AHH..! I SEE!

YOU DON'T SEEM TO BE IN AGREEMENT

VARIED..?

ADMINIS-TRATIONS BUREAU..?

THIS IS THE ONE TOWN THAT WE, ANIMALS WHO HAVE LOST THEIR PLACE TO LIVE, CHOSE TO LIVE IN.

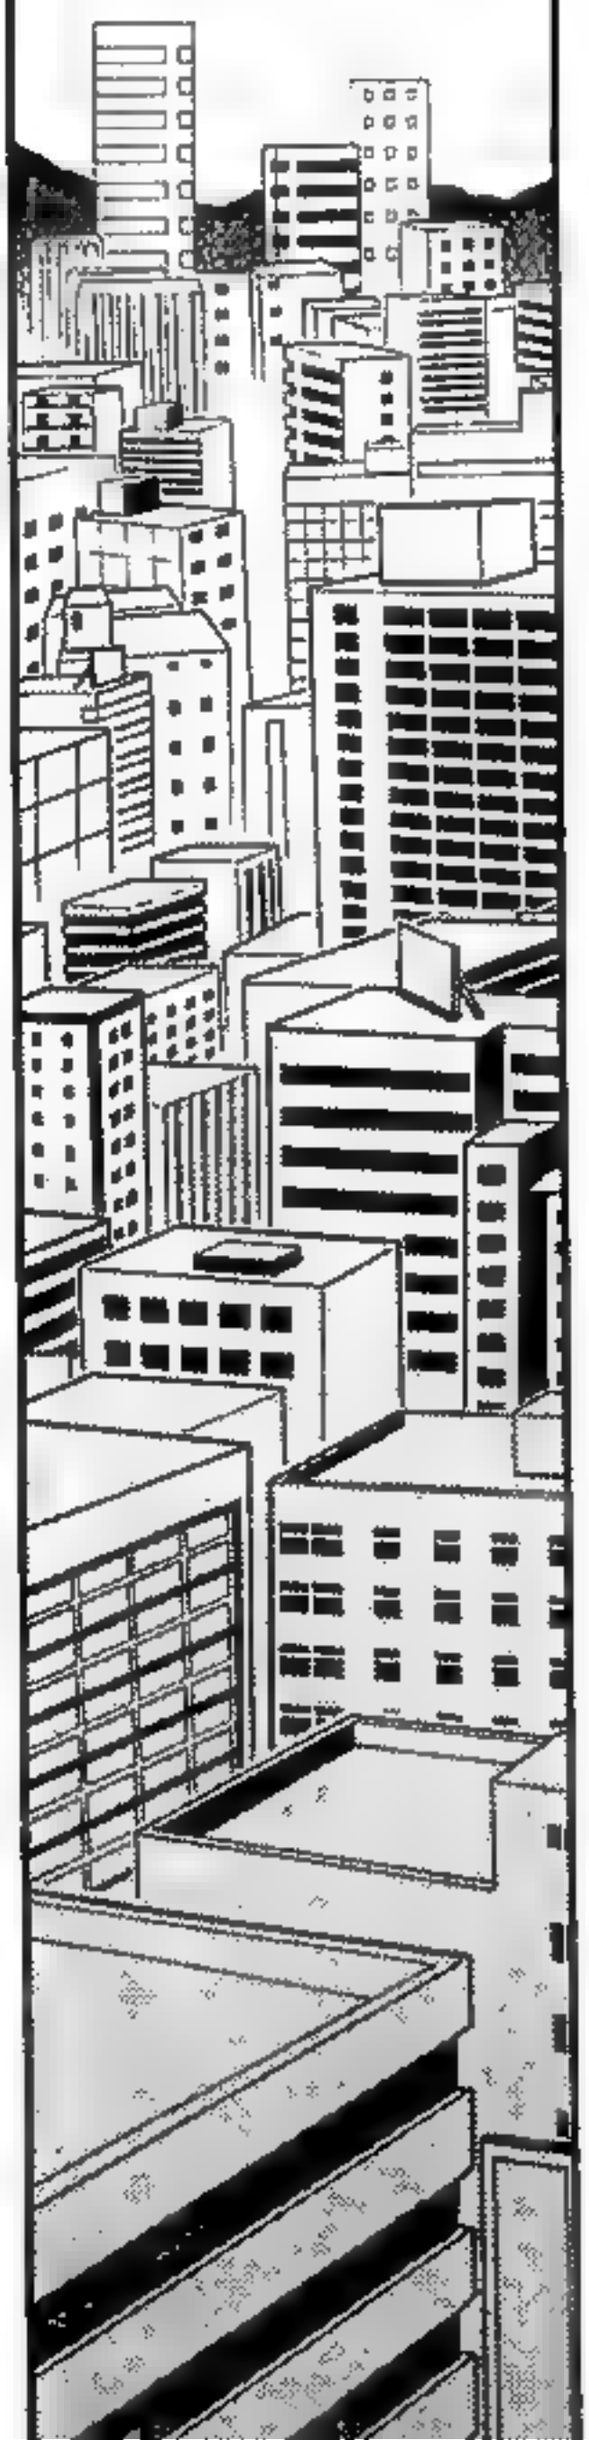
WE LIVE TOGETHER WITH OTHER HUMANS, DRESSED UP LIKE HUMANS THEMSELVES.

THE VARIED LIFESTYLES ADMINISTRATIONS BUREAU IS AN ORGANIZATION BUILT TO ENFORCE THAT.

FOR THAT REASON, THE REGULATIONS ARE ALSO VARIED FOR THOSE WHO WANT TO COEXIST WITH HUMANS.

IF ANY DEBT IS MADE WITH A HUMAN, WE ***MUST*** ABSOLUTELY REPAY THAT OBLIGATION.

AND ALSO, ***THE*** ONE MOST IMPORTANT RULE IN THIS TOWN IS,



...FOR A HUMAN...

...SHE WON'T BE ABLE TO LAST FOR MORE THAN A YEAR AT MOST...

But she was the one who saved Niu!

Mitsuru-sama!

THERE'S NO WAY GETTING AROUND IT.

...died.

Is that true..? I guess I really...

BE THAT AS IT MAY, I'M STILL LEARNING FROM THIS RESIDENT OF MAMORI TOWN.

WASN'T IT YOU MITSURU-SAMA WHO TAUGHT ME THE RULE OF REPAYING HUMANS FOR BORROWING THEIR APPEARANCES?

...You can't!

If that happened, I wouldn't be able to meet with Nee-sama anymore!

THAT IS MY WISH ALSO!

.....

PLEASE ALLOW ME TO REPAY THIS DEBT HOWEVER I CAN!

MITSURU-SAMA !

Nee-sama!!

This cat... For my sake...

Nee-sama...

THOUGH I DON'T THINK THERE HAS BEEN ANY NEWS ABOUT HER ?

I'LL DO WHATEVER IT TAKES TO FIND HER!

HUMAN...

DO WHATEVER IT TAKES, HUH...

I want to return to our house together, Nee-sama!

I... I need to find my Nee-sama!

THERE ISN'T NECESSARILY *NO* NEWS ABOUT HER, HOWEVER...

THERE IS ONE.

NEKOMIYA NIU,

Yes! Chief!

A-Ah...

Really?

Is that true?!

Is that true?!

I called on Nekomiya Miu.

For this exact occasion,

Onee-sama..?

O-ONEE-SAMA..?

EHP!

ふふふ...

Niuuu!!

U-

This is why...

...I told you not to go out by yourself!!

...are one of your lives missing?!

Why in the world...

MY NAME IS OOGA MIKO! NICE TO MEET YOU!

HERE IS THE CHILD YOU WILL BE WORKING WITH STARTING TODAY.

HUH..?

And with a human..?!

You want me to solve a hundred cases with her?!

SHE'S HUMAN... YOU SA.D... THIS KID HERE...

EXPLAIN YOURSELF, YOU CHIBI!

AND ALSO, THIS STUPID-LOOKING SHAPE OF HERS...

This isn't a joke!

She... called me a chibi, huh...

This child is also a cat, huh...

I CAN SEE .T WRITTEN HERE TOO, YOU'RE THE DAUGHTER OF A HUMAN.

I EXPECT YOU TO BE LEARNING ALSO,

IF IT MEANS GETTING BACK MY LIFE,

I'LL DO MY BEST WITH WHATEVER JOB IT TAKES!

I expect that there'll be things that only I can do!

But, I'm a human!

THE CASES THAT YOU ARE INVOLVED WITH, THE APPEAL OCCURANCE REPETITION RATIO HIT THE TOP FOR TH.S MONTH.

Ack..!

OKAY, I GET .T! STUPID BLACK-CHESTED CHIBI..!

Nowadays, our budget is getting rather severe, I wonder if we would be better off if I just suspended the purchasing of cat powder tea within this department...

Wha?!

COME WITH ME.

OK!

YOU!

YOU'RE LUCKY, HUH?

ALTHOUGH ONEE-SAMA LOOKS LIKE THAT, SHE'S NOT ACTUALLY A BAD CAT, SO...

Ack..!

Niuuu!!

I will be giving you a talk you'll carefully listen to later!

AHH... I FINALLY CALMED DOWN...

Zzzzz...

Zzzz...

THAT STUPID CHIBI BIRD...

WHEN I BECOME THE CHIEF DIRECTOR FOR THE NEXT TERM, I'M DEFINITELY GOING TO WORK EVERYBODY'S BUTTS OFF EVEN IF IT MEANS THEM DYING...

N-NO!

She's going to blow up again!

Y-YOU LAUGHED JUST NOW, DIDN'T YOU?

COME OVER HERE.

She really is a cat isn't she?

I wonder if all her hair blew up because she got angry earlier...

This is Mamori Middle School.

Middle school?!

THE EXTERIOR LOOK WAS MADE BY THE VARIED LIFESTYLES ADMINISTRATIONS BUREAU TO DISGUISE IT.

Then, this is a school?!

Their true identity is...

ALSO, THE PUBLIC MORALS COMMITTEE,

Everybody's so wild!

OUR ROLE WILL BE TO SUPERVISE THE PUPILS WHO COMMENCE WITH CONDUCT THAT ISN'T VERY HUMAN-LIKE

HOW ARE WE GOING TO DO THAT?

I'M PRETTY SURE THAT EVERYTHING THE PUPILS HERE DO, WE ARE TO KEEP AN EYE OVER IT ALL.

THERE ARE SO MANY!

ALRIGHT,

I JUST RECEIVED SOME RATHER JUICY INFO.

OH..?

This human has a nice scent..

Wow! These city cats have really become attached to me!

SHE WAS ORIGINALLY A GOAT, BUT FOR THE TIME BEING, SHE'S THE BOOK COMMITTEE'S CHAIRMAN

THIS GIRL IS YAGIMORI MEI.

...WITH THE DEMERIT POINT FOR THIS TIME, YOU'RE OUT.

AND THE CASE OF THE CLUB ADVERTISEMENT POSTERS BEING TORN EVERYDAY IS ALSO YOUR FAULT, SO...

THIS CASE WITH YOUR TEARING OF THE TEXTBOOKS FROM THOSE PEOPLE FROM BEFORE,

I CONTINUE COMING TO KEEP AN EYE ON HER SINCE SHE'S BEEN SUSPECTED OF THE SAME ISSUE OF TEARING THE SCHOOL'S BOOKS TIME AND TIME AGAIN

FINALLY, EVEN THOUGH IT'S A BIT OF A PITY SINCE YOU JUST BECAME A THIRD-YEAR STUDENT, YOU ARE STILL CONVICTED OF IT, AND YOU ARE TO BE EXPELLED.

HUMANS ARE USUALLY SENT INTO THIS SCHOOL FOR THREE YEARS.

PLEASE BE QUIET YOU.

ISN'T IT MEAN FORCING HER OUT OF SCHOOL JUST BECAUSE SHE ATE PAPER..?

...WHY DO YOU HAVE TO KEEP DOING THAT EVERYTIME...

THEN...

THAT IS THE CONDITION REQUIRED TO RECEIVE A LICENSE FOR BEING ABLE TO LIVE IN THIS TOWN.

Yes, I picked something up again. This time, it's a manga by the artist, Tiv. I couldn't get a relevant picture for the credits page because I was too lazy to bother, so this is what you get.

I'm still recruiting translators and redrawers, so if anybody can help out, Kirei Cake will be able to release earlier. There's literally only two translators in my group (including me), and I don't have all the time in the world to do a gajillion projects (though I still try).

If anybody wants to join Kirei Cake, just shoot an e-mail to kirei.keeki@gmail.com.

I will pick up any project that's relatively interesting. Neko, loli, and ecchi are all acceptable =3!

Anyways, bye for now!
- Sayori Forever

Translation Notes:

There were a few noteworthy things brought up in the translation of this chapter.
All of them are explained below, hopefully. If not, just ask.

Page 13: In the second last panel, we find out the name of the school that Mikoshi is in: "Mamori Middle School." For those who know a bit of Japanese, many would assume that the "Mamori," means "protect," or something similar. Actually, the "Mamori" in this case uses a different kanji: "真森" is the name of the school, and it means something like "Real Forest." For those who might've seen, the kanji was used in the middle of page 5 for "Mamori Station."

Page 14: In the first panel, Miko thinks of a crane (a bird) in the previous page. Chino Mitsuri introduces herself. Throughout the entire manga series, almost all characters have a name that (in some way) shows their relation to the animal that they are. In this case, the "tsuru" in "Mitsuru" stands for crane. Mikoto does not have such a tie.

Page 23: In the last panel, Mitsuru calls Chino a "black chested crab." The "black chested" part of this is specifically referring to a crane that has a black-coloured front part of the body. Of course, there are many types of cranes, but this is the one she's thinking of. Possibly because of the outfit or the "crane" form that she's wearing at the moment.

Page 36: In the first panel, the pot on the left contains Chinese cabbage seeds, and the pot on the right contains seeds for bok choy. And in Cantonese, pronounced "baak choi," which literally means "white vegetable." A kind of Chinese cabbage that we eat frequently. On the small baby soccer thing in the last panel, contains cotton flower seeds.

Page 38: Miko here uses the term "lose face." For those unfamiliar, or not natively Chinese and/or Japanese, don't expect you to understand the concept. To lose face roughly means something like "to lose respect" or "to lose reputation" or "to lose dignity." It's a unique term that encompasses all of these similar terms, and is a very powerful word to use in both cultures. Many situations arise where you will need to use this term, and in the Western cultures where "money's power" for us CHN or JP people, many of us are afraid to lose "face" and not money.

Chapter 2
Miko and the
Noisy Classroom

Really?

Miko-sama's hair smells so nice!

...I HAVE SOMEHOW STARTED LIVING IN THIS CITY.

LOTS OF THINGS HAVE HAPPENED, BUT...

NEE-SAMA,

BUT,

THERE'S A CONDITION

Hey, you're tickling me!

You as a human being will help us out with the Administrations Bureau's duties.

Ugh...

IT'S RATHER DIFFICULT, BUT SINCE I HAVE A FRIEND WHO WILL WORK WITH ME TOGETHER ON THEM...

Sure!

Could you brush Niu's hair too?

If you successfully solve 100 cases, your life will be returned to you as before.

WHAT IS THIS SMELL?! MY NOSE FEELS LIKE IT'S GOING TO BREAK!!

It's a remote-controlled light! ♪

Which part of this *human* is useful? That chibi!!

NEKOMIYA MIU.

SHE'S A KITTEN.

THE ONE WHO WORKS TOGETHER WITH ME ON THE ADMINISTRATIONS BUREAU'S DUTIES, MY PARTNER (?).

It's just a peach-scented candle made out of natural oils!

ARE YOU AN IDIOT?!

Nyaa!

Doesn't it smell great?

DON'T SAY STUPID THINGS!!

?

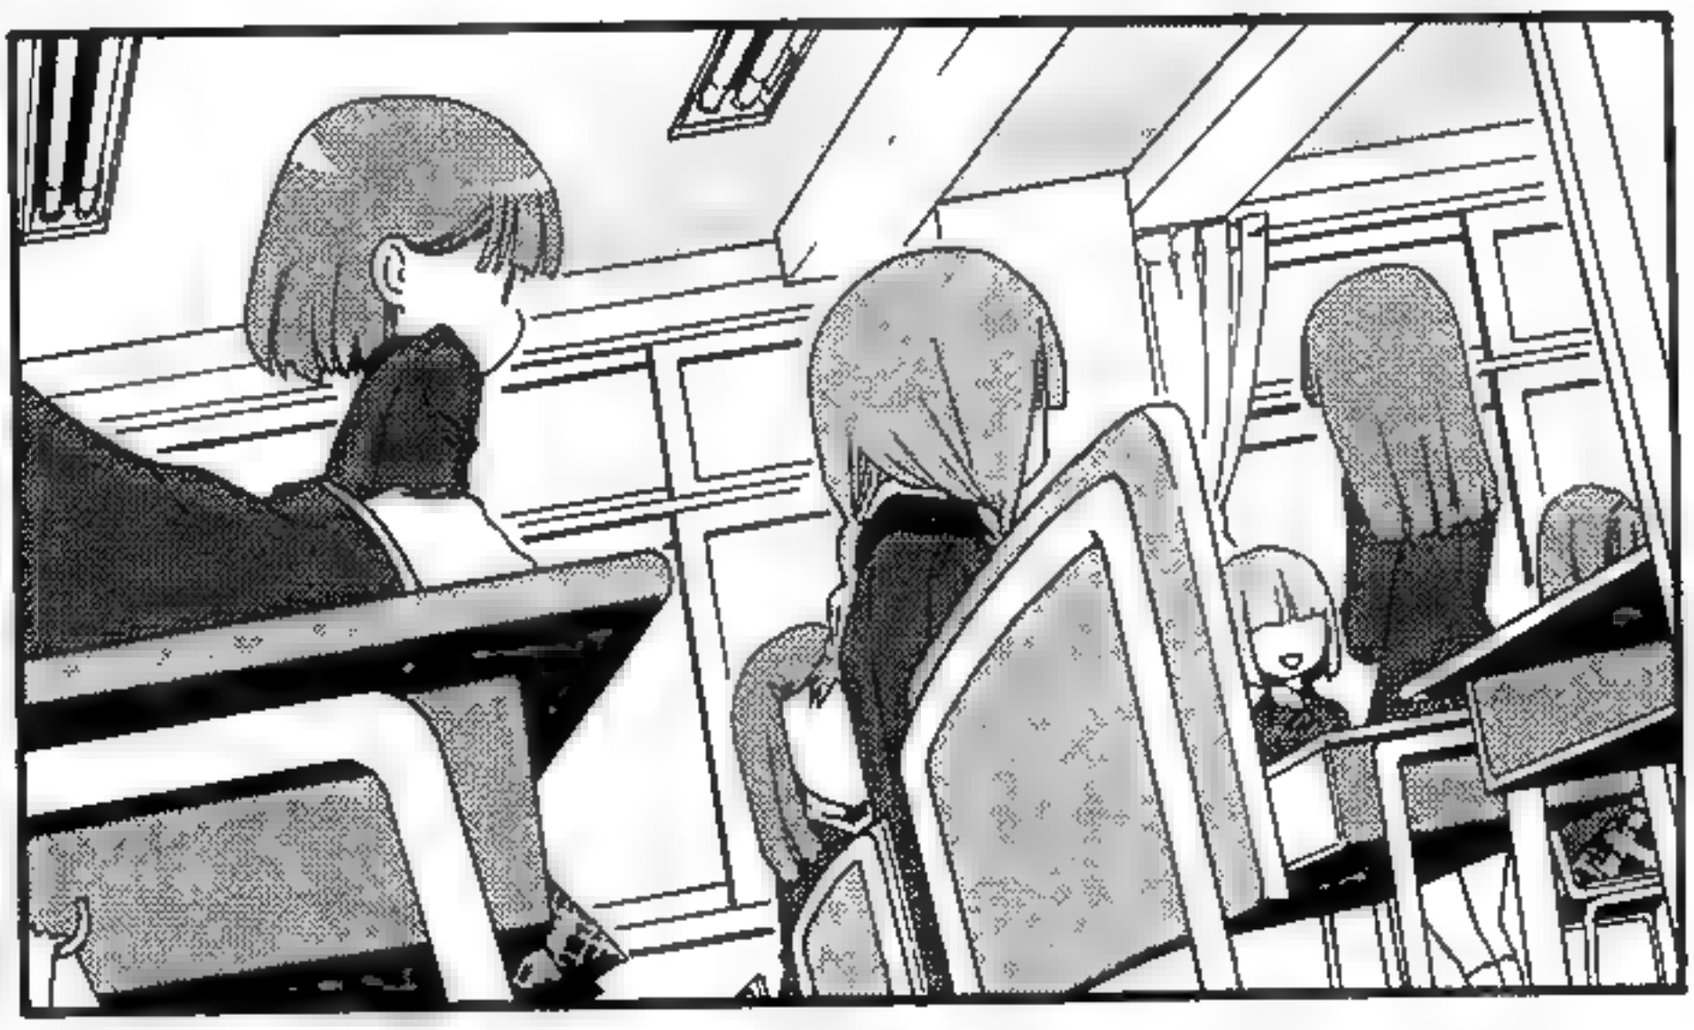
I don't really mind either way...

Then... Should I be in the same room as Miko-sama?

The point is, why are we sharing the same room?!

?
NO MEANS NO!

Hey, listen to this! Last night...



Perhaps Sawatari-san also saw it?
W-well... I don't really know...

...I saw a super cute monkey at the dorms!
No way!

W-what?

...Could you explain it in more detail?

What you just said...

Doesn't it seem difficult for Sawatari-san to speak?

?

It's like she's kinda out of it?

...SECRETLY LIVING TOGETHER WITH THEM.

IN THIS CITY...

T-That's not it!

You're hiding something, right?

...AND IN THIS SCHOOL, ANIMALS TAKE THE FORM OF HUMANS...

Cow..?

I have a feeling I saw a cow on the train yesterday!

AH!

...IT IS OUR JOB TO HELP ENSURE THAT THESE ANIMALS BEHAVE LIKE REAL HUMAN BEINGS.

How do I get it out?

IN ORDER TO MAKE SURE THEY AREN'T DISCOVERED, WE WATCH OVER THEIR BEHAVIOUR...

Here.

Even though I just got it from Niu...

Since her grades are the top for this district, that's okay, right?

She's coming to schoo. dur.ng lunch again?

It's ***Karasuma Kurona!***

.....

Thank you..!

Eh..?

It's better if you didn't associate with her.

At any rate, that girl...

...She can't become a good human.

Though, if she hates it that much, she should just go back to the forest...

Certainly...

..If the idiotic masses want to take pride in it, like Nekomiya...

...Then living as a human being would be worthless, hmm?

Whatever.

THAT KIND OF ATTITUDE WILL NOT BE OVERLOOKED BY THE HUMANS OF THE VARIED LIFESTYLES ADMINISTRATIONS BUREAU!

WAIT, WHAT DO YOU MEAN BY THAT?!

Skipping classes is a common phenomenon for humans, is it not?

And grades aren't a problem either.

And also, good luck today on your patrol of the school.

Eh?

YOU'LL LOSE YOUR DIGNITY AS A FIRST CLASS!

OI, HUMAN! YOU ARE NOT TO ASSOCIATE WITH THAT GIRL!

...I can't really see her...

You *really* can't do it without that outfit?

Yup.

You really *are* clumsy...

Showing your panties like that is not cute at all

Well, ravens have a habit of collecting shiny things.

AH! MY MONEY!!

Anyways, I have this little one's assistance, so...

Follow me.

We're going to crack down on violating students who are playing with the city's people!

Today, we will go off-campus to look for animals who have returned to their forms.

Is there such a thing as cute underwear?

Ok!

Kyaa!!

It's so adorable!

ドン

はい

Sawatari-san?

WE'RE CHASING AFTER HER!

OKAY!

SHE RAN AWAY!?

?

This place is deserted, huh...

Where could she be...

Miu?

Wait here.

EH?!

Oh, Miu was wearing a cute one under her skirt, huh...

I won't let you run away anymore.

Doesn't Sawatari-san smell kinda weird?

...But when I became a human...

...everybody gave me lots of affection and love...

In my animal form...

Why don't you do anything else besides mimicking me?

...Since nobody seems to like me...

I know it's because I'm still learning how to be a human, so I can't help it, however...

...I feel so lonely...

You know that going into human society is not something to be taken lightly, right?

Please bear the loneliness.

Then you want to return to being an animal?

THAT'S NOT IT! I WAS JUST A LITTLE LONELY!

Because if you can become a good human being, you will naturally become loved.

Put more effort into that part, and discover your splendid abilities as a human being.

You can still make friends without doing those things, you know.

It's okay!

But I don't have confidence of whether I can become that kind of human or not...

It's true that humans show animals more affection easily when they become attached...

...But that's only because they are able to believe that an animal's feelings are genuine!

It's the same with human bonds.

DON'T GO AND MAKE IT YOUR ROOM JUST BECAUSE YOU FEEL LIKE IT!

Whenever you feel lonely, you can come over to my room to play!

WHY ME?!

See? Miu would like to play with you too!

Thank you! You just gave me a little more self-confidence..!

I really do love humans!

If Sawatari-san believes that she truly loves humans and wants to become friends with them...

...These feelings will reach the others eventually.

Really?

You don't say anything but naïve things.

And then Sawatari-san can be loveable, right!

We have to be stricter to the children with varied lifestyles!

There are also many others, but above all...

You must not have any leftover regret to your past lifestyle as an animal.

And also...

Yes...

...You have to spend three years in school with the humans while looking like them or something like that?

You...

...Do you know all the conditions required for having a varied lifestyle?

...You must love humans.

All the animals that loved and admired humans chose this town.

This town, you know? It's the final chance for animals to continue on living.

But even so, even with their varied lifestyles, as they get closer to the humans, they also learn about how their emotions work...

That's why everybody seems to love all the humans.

Therefore, in order for the varied ones to be able to maintain their composure

...We *must* be strict.

...causing the entire system to crumble.

Including feelings of hate

The varied ones that hide their animal abilities grow to despise humans

It's about time we went and turned this report in to that chibi bird!

W-Wah...

Doesn't that mean that Miu also likes humans?

But...

BECAUSE AS A HUMAN, YOU ARE VERY, VERY BAD!

WHA?! THAT DOESN'T MEAN I LIKE YOU, OKAY?

Uhh... that's kind of difficult, huh...

We're not going across to patrol?

Eh? Why?

And you'd better not go there yourself, either.

We would be better off if we just didn't go there.

Ah...I'm so tired.

UNI

I guess I'll go home after I take a look around town.

.....

Why is Karasuma-san here?

Huh?

She spoke!

It was alright...

Eh..?

Were you not dragged around all day by that cat?

MISS Dor

Is that okay? Miu said not to eat anything sweet on the way back from patrolling.

It's fine! It's fine!

Is that so? Eat up then!

IT'S THE FIRST TIME I HAD SOMETHING LIKE THIS!

Delicious!

...Keep it a secret from the cat, okay?

But in exchange, about this meeting me here thing...

Okay..? That's fine, I guess.

...I don't really like school.

But...

...Why does Karasuma-san always skip class?

What should I do about Karasuma-san .

IT ISN'T HERE!!

You were late yesterday, weren't you?

THE PENDANT THAT KURISHIMA-SAN TOOK OFF FOR MORNING EXERCISES WENT MISSING!

As this series had a lack of support for the first chapter, I didn't bother myself with aligning the pages in this one, since I'm far too busy to really care. If I see an increase of popularity for this manga, I will consider vZing this (and any subsequent chapter) to fix page aligning issues.

Yes, no "real" quality checker for this chapter this time. I skipped it out of non-importance.

Chapter 3

Well...

A case?! What do we do then?!

All we can do is search everyone and look for the culprit...

Miu's hiding some catnip in here too, right...

Looking for eggs and whatnot is my specialty!

Did you say search? If that's it, then I think I'm a little confident!

I know who the culprit is.

Even though you're a transfer student, you really do know about me, don't 'cha.

A child who can't change her innate attraction to shiny objects.

It is... that raven, Kurona-san.

Don't just blame Kurona without any evidence!

The First Class judges everybody fairly.

Erm...

Could you give this to me?

There are records of Karasuma Kurona stealing many things when she was in her original form.

Yeah, it's easier to call her that way.

TL Note: Kuro means Black in Japanese, hence the nickname.

What should I call Miu too...

DON'T JUST CALL ME MIU WHENEVER YOU WANT TO!!

Note: Miko says Miu without a suffix here, so I'm guessing Miu doesn't consider her very close yet.

Keep it a secret from the cat, okay?

But...

Do you know something about Kurona?

But... it definitely couldn't be Kuro-san!

Kuro-san... Since she's intelligent, she's probably actually gentle, isn't she?

If you two can become friends, she could probably help out with the work in the First Class, huh...

How do you even read this?

WHAT ARE YOU SAYING! YOU SAW THAT ATTITUDE YESTERDAY, DIDN'T YOU?!

Eh?! But I'm only studying words..!

Your hair's blowing up!

Just what does that chibi bird intend to do with this human?!

Fu- ss- y-

What would I do if it really was Kuro-san...

Miko-chan!

!

Sawatari-san!

Thanks for yesterday!

Hehehe, I did it!!

For

E-Ehh..?

And this bracelet...

There's monkey power inside that gem, you know!

It lets you behave like any-body else!

Well that's the monkey for you! Our hands, they're totally quick!

Hehe...

It's my return of favour!

Yet another mysterious payment of gratitude...

Ehh...

This is just a rumour from the varied ones in the neighbour-hood but...

That so..? Karasuma-san, huh...

Hehehe...

Here I think?

Ugh... Where is it...

烏丸

* Karasuma

I heard Karasuma-san was being raised by a human grandmother.

That's right.

By a human?

No one lives inside that house anymore.

Erm...

She's probably no longer here...

Kuro-san!

What's wrong? For Human-san to come all the way here...

This sweet scent...

She had it before too...

She was probably picked up when she was a weak young bird and then became a human because she wanted to repay that person...

Perhaps we should go eat donuts again.

The other three were at the school infirmary.

There were 25 students in the gym class...

Just when I thought I could have gotten her to help us after all, where in the world did she go?

Though, that human...

Is that right...

Everyone had an alibi, huh.

Karasuma-san has been jealous of me since the beginning!

That's right..!

Fufu, I get it.

And don't just enter as you please!

Huh...

I've solved the entire mystery!

She's envious of my academic excellence... That pitiful Karasuma-san!

And the next report is...

...

First off, this pendant..!

Fine, I'll steal every-thing!!

Emba-rassing!

...Kurona has better grades than you, you know...

And that's how it kinda went...

If you really want to join the First Class,

go find me some reliable proof!

I wonder why she's here with Kurishima-san...

Nekomiya-san isn't getting recklessly irritated today?

Nekomiya-san's finally noticed too? The fact that a talented person such as I, being indispensable for the First Class.

Geez, that stupid human! I just don't know get you!

Ack... I ended up falling for the allure of donuts...

Donuts are evil...

Why did you secretly come to investigate?

Is this an order from Neko-san?

Now...

That...

...I came to clear up any doubts!

Karasuma-san didn't come to school, so...

Theft, huh...

Since I do want money, after all.

Ehh?!

But...

It really could have been me.

Chapter 4 Miko and the Scent of Donuts.

You want money..?
That's right.
Since "human beings" hate ravens.
"Maybe I should earn some money and make a town for ravens so we won't bother any humans."
...I'm consider.ng ideas .ike that.

No way!
I... I want to prove that Kuro-san isn't a criminal!
Nobody has any proof they're just saying whatever they want!
So the kids in the class say I'm a criminal?
That's absolutely wrong! Kuro-san is a kind person!!
...But you don't know that for sure, right?
Then, do you hate me too?

Even though you gave me this donut...
.....

AH?
Since I don't understand human beings very well...
...As I thought, I can't come to like them after all.
She gave me the slip!
If she really hated me, she wouldn't have done stuff like giving me donuts, right?
Anyways, do your best searching for the criminal, okay?

Mofu~
Now... How can I prove to Miu that Kuro-san isn't a criminal..?
!
Kuro-san smelled like milk!

Nyan! O... Onee-sama!
Niu... my clothes again!
Before you become human, do something about that hobby of yours!!
I'm Sorry~
Why at a time like this..?
Isn't it time for you to be doing your duties in the club room.?
Just why would you want to wear girl's clothing in the first place?

!
Is Miko-sama not together with you?
I'm pretty sure that has nothing to do with you.
Or could it be that you came all the way to the room to look for he-
I don't know of any sort of damn human like her who would just head off somewhere randomly!
Uuu...
ピク?
Maybe she went off to the town by herself again...
If she did so, she might be similar to a stupid cat like you.
That. ! That's so mean, Onee-sama!
I'm just worried about Miko-sama ...

Something might happen because you decided to act on your own!
I don't even know if you'll become a missing child!
I found it!

I knew it! It's the scent Kuro-san had!

Karasuma Kurona?
Are you Kurona's friend?
She's working here part-time, but...

So that's why even Yagimori-senpai was trying to hold back so much...
...If you're discovered, you get expelled!!

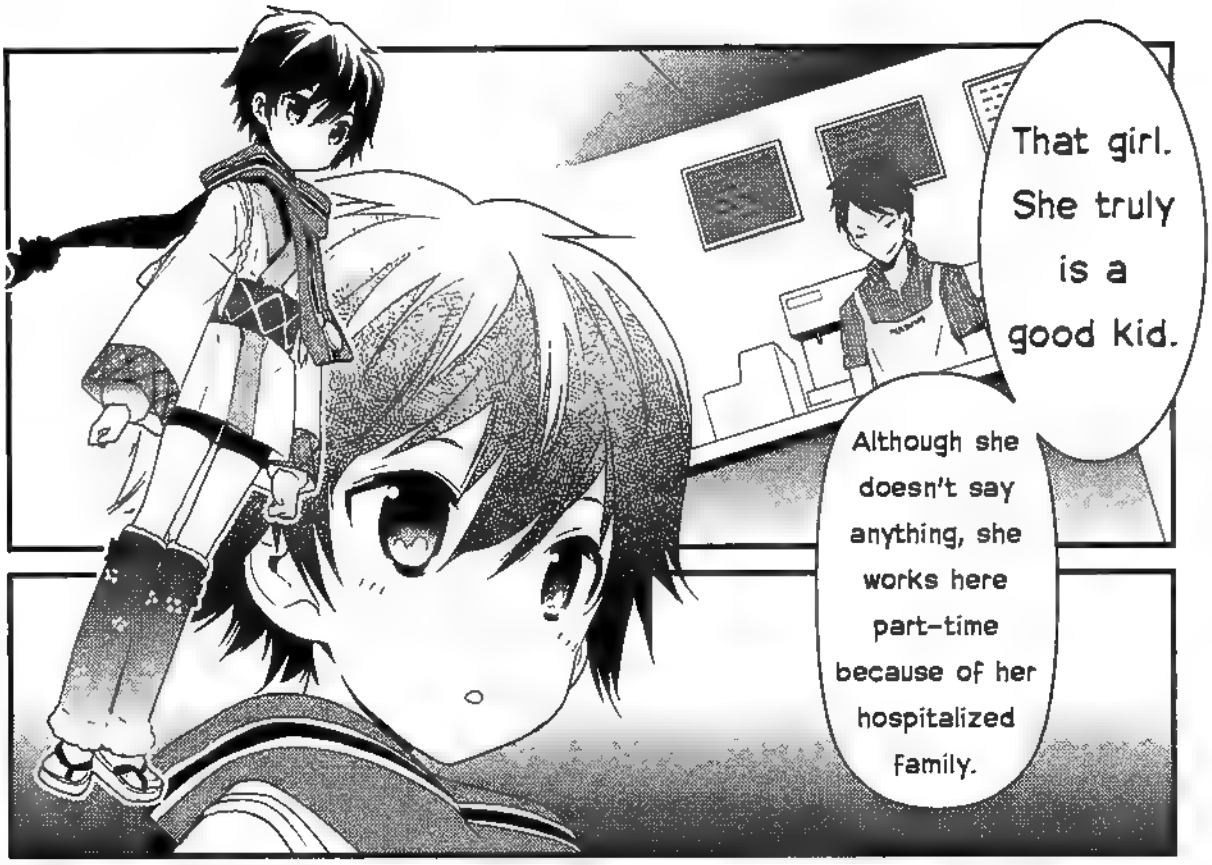
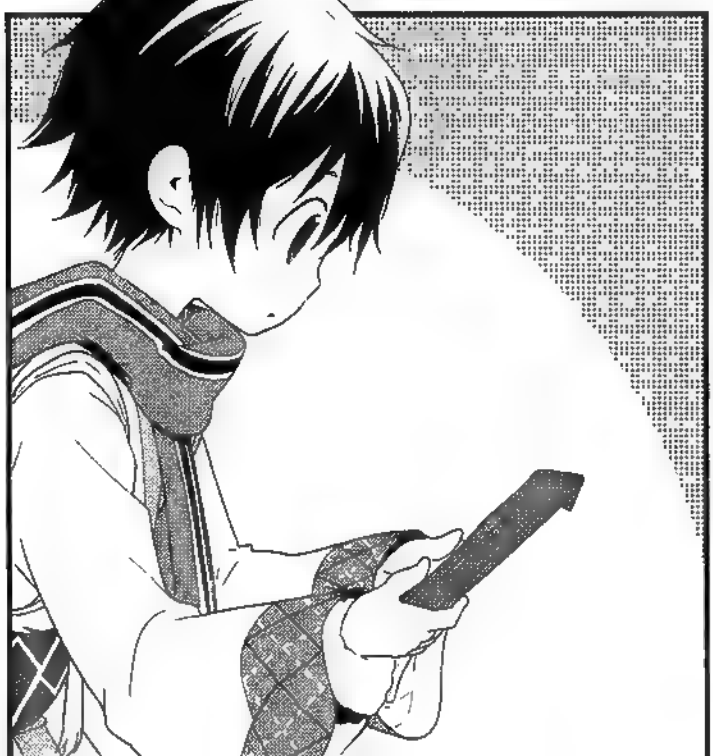
Since today's the day she goes to the hospital, she's on break.
Hospital?



That girl. She truly is a good kid.
Although she doesn't say anything, she works here part-time because of her hospitalized family.

Could you possibly deliver it for me?



Here.
This is probably... something that kid forgot, so...

MiiiKooo-channn!!
I came to play, yoonn!!
TL Note. She says "よーん", which is a cutesy way of saying "よ", but implies a glomp.
Just how could you mistake me for that idiot?!
With that said, where's Miko-chan?
Well... She hasn't come back at all!!

To tell you the truth, she has cat allergies so she hasn't come back ...
It was a lie! I don't hate you or anything, Miu-san~~
Go home! Cats and monkeys don't group together!
It's lonely being by myself
AH!
Could it be that Miko-chan...
was informed of something like Karasuma-san's former residence so...
Even so, why would that kid go to Kurona's place?
Doesn't she want to prove Kurosama-san isn't the criminal?
I think it was because she wasn't in school on the day when the event occurred...

ぼてん
Uwa!!
She doesn't even have evidence, so why would she know something like that?
I think she probably went to Kurasuma-san's part time job...
Part-time-job-?
It... it's nothing ...
You'll inform me about it in detail won't you ...

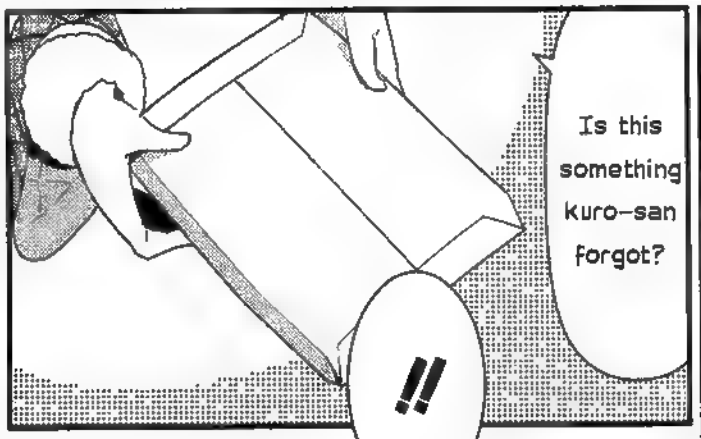
What are you doing here?
Your that kid...

The scent of donuts from Kuro-san...
...I followed it here.



Is this something Kuro-san forgot?

A book?
W-Wrong! This is..!!

Just who is the animal here...

As I thought, you don't hate humans, right?
I just wanted to repay your kindness. Kuro-san

Humans have always been an annoyance to us crows after all so despite disliking them
I unexpectedly became indebted to a weird human...

There's still a little bit left after her one-week procedure.

Therefore, stop being such a bother to me!!

That's a lie!

Kuro-san definetly wouldn't do such a thing, right?

The reason you weren't able to come to school was because you were working part-time at the donut shop!
See...
That's why even doing that has the aroma of milk as well.

Despite being human, you say you believe in me this much?

Miu!

It's as she says.

The shop manager's testimony

Kurona is not the criminal, I came with confirmation

I gurantee that at that time Karasuma Kurona was working the register inside the store.

Well then, is there any doubt?!

The 1st Class has a duty to assist animals in becoming like human beings!

I believe you because I'm in the 1st class!

Karasuma kurrona.
Concerning you and your part time job, for being a violator of school regulations you will be dealt a demerit.
Eh?!
It's only normal, right? Since she was working part-time.
For something like that ...
However...

...I will report to the principal that the situation this time was a special violation relating to a repayment of kindness.
...Miuuu!!
Hey!! What are you doing?!!
Didn't I tell you that the one thing I hate most is being touched by humans?!
A weird human and a dumb cat...

There has been another robbery!

Yeah, well...
If the situation this time was an ordinary case, you'd have been expelled, Kurona.
Join the 1st Class.
.....
That is dissa-pointing.
Is that all you needed? If so...
Is that so ...
I'd rather return to being a raven than join an embarrassing society like that.

Miko and the Doki Doki Love Letter

It's...
...so...
...hottt!!
Didn't it get hotter since we added another black animal?
パタパタ
In Mamori Town, these animals called the "Varied Ones" who took on human forms ...
...live in secrecy.
So it's not getting hotter just from looking at cat fur?

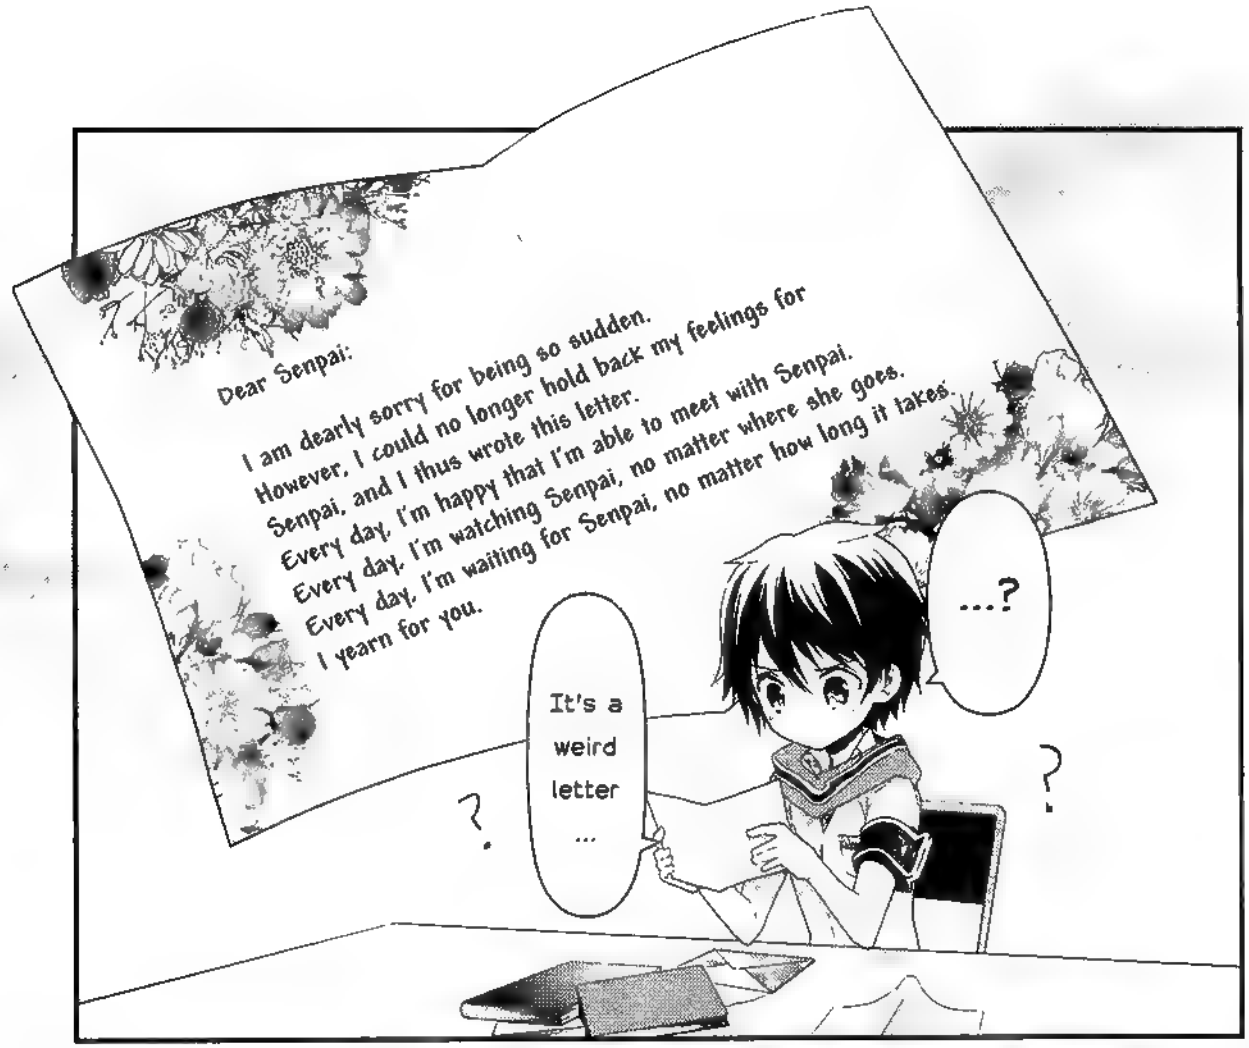
What's this?
It's a letter!
Who is it for?



Dear Senpai:
I am dearly sorry for being so sudden.
However, I could no longer hold back my feelings for
Senpai, and I thus wrote this letter.
Every day, I'm happy that I'm able to meet with Senpai.
Every day, I'm watching Senpai, no matter where she goes.
Every day, I'm waiting for Senpai, no matter how long it takes.
I yearn for you.
It's a weird letter ...

Her enemy's true identity is unknown.
If I don't act carefully and get noticed by the enemy, I won't be able to capture them.

I'll keep silent from Miu for now.
What? "Terr'ble" ...
I will protect Miu from the enemy!
Don't go anywhere by yourself today!
DIDN'T I TELL YOU NOT TO TOUCH ME?!

Huh?

I want to express these feelings.
